

R.H.W.R. Diesel Driving Experience 2016

Ever dream of being a train driver?

We now offer Diesel Driving Experiences using one of our Class 31 diesel electric locomotive. The course takes approximately 4 hours including lunch.

Two participants attend each course and spend approximately two hours on the locomotive taking in turns to drive (under supervision).

- What's included:
- A Safety briefing before the session commences
- A tour of the Locomotive engine room
- 2 hours of driving time and tuition
- RHWR Polo Shirt
- Lunch is included
- Certificate of attendance as a memento
- Opportunities for photographs

PARTICIPANTS MUST:

- * Be aged over 18 years.
- * Be reasonably fit and in good health - fit enough to climb on and off the locomotive from ground level unaided.
- * Wear old clothing, engine rooms are not the cleanest of places!
- * Wear sturdy shoes / boots that protect your feet - trainers are definitely not permitted.
- * Not attend the experience under the influence of alcohol or drugs
